

Wellness Committee Minutes

1-6-12

Present: Amy, Shawn, Scotti, Robert, Rick, Brenda, Candi, Debbie

Absent: Rachel

Feedback from Winter Celebration: All of the feedback on the evaluation forms was good.

Food: for soup we had 3 kinds, 3 bags each. If we do soup again we need 4 bags each. Sandwiches: 3-6 footers would be plenty. Desserts: Need lots, especially if cheesecake. Idea is to put it on indiv. Plates instead of having people serve it to themselves. Committee will look at having future events catered if it is too overwhelming for us to shop for and prepare the food.

Manipulative items for staff meetings: Committee liked the squishy food and farm animals. Agreed to use the puzzle balls as prizes for dollar per child carnival.

Staff Kudo's: Shawn showed what was ordered. Items have been passed out to supervisors with a note encouraging them to hand items out to staff who go above and beyond to help raise staff morale.

Jan. Employee of the month: There were 7 nominations. Chose a support staff member as employee of the month.

Newsletter: It's time to work on another one. Plan will be to get information to Candi so that the newsletter can be given out at the Feb. staff meeting.

Noreen: recipe

Debbie: health-allergies

Kristi: Dr Myers announcement

Dave: Safety, spring driving (Shawn will ask him)

Shawn & Amy: Spring family activity ideas.

Piece on getting your garden ready for spring: Shawn will ask Mike.

T-Shirt Order: Wellness Committee will have teal polo shirts, everyone will pay for their own. Wellness committee is paying for the price of screen set-up. Candi and Scotti will take the order in to try and get the shirts ready to hand out at staff meeting. An e-mail will be sent to staff to let them know to bring money if they ordered a shirt so they can pick it up at the meeting.

The cost of the shirts is rounded up so that we don't have to deal with coins when making change. Funds left at end will go towards \$ per child.
