

## Create a personal voicemail greeting

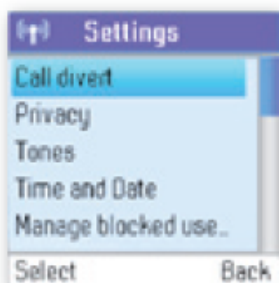

Skype voicemail has a default voicemail greeting. You can also create your personal welcome greeting, which will be played back to people calling you when you are unable to answer the call.

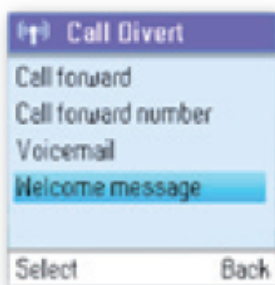

1) From the **Idle screen**, press  to enter the main menu.

2) Press  and  to select **Settings**.

3) Press  and  to select **Call divert**.

4) Press  and  to select **Welcome message**.

5) Press  to select options.

6) Press **Record new** to record your welcome greeting, and press **Play** to hear the recorded message.

#### NOTE:

- You have to buy a Skype voicemail subscription to use this service. See more at [www.skype.com](http://www.skype.com).
