FREE Mobile Dental Clinic

Working with Medical Teams International, UCAN/RSVP and Pathways to Care—Connecting our Community are pleased to announce a free mobile dental clinic in Josephine County. The van will serve low-income adults who meet the following criteria with a free filling or extraction:

- No Dental Insurance.
- At or under 200% of the Federal Poverty Level (adjusted for family size).
- 18 years of age and older.

If you have a client who meets the above requirements, please have them call RSVP @ 541-956-4472. Our front-desk volunteers will take their information and place them on the on-call list.

Appointments are granted on a first come, first served basis (emergencies will be handled on a case by case basis).

We are also actively seeking donations and sponsorship opportunities for this wonderful chance to help the underserved in our community.
